Dear

On behalf of the 15,000 runners and walkers and 100 charities that were able to raise over a million dollars, thank you for giving of your time and talents to Run Calgary this year.

Your sacrifice of time, energy and enthusiasm creates a safe and memorable race weekend for our participants.

It certainly takes an army to execute an event of this size but to put on a world-class destination run and festival takes dedicated people like you who show up and fulfilling your volunteer position wholeheartedly.

We hope your experience sharing in the joy of others' achieving their goals inspired you and we hope to welcome you back as both volunteer and participant at any of our 7 Run Calgary events throughout the year. You can find all of these at [runcalgary.com](http://runcalgary.com).

Thank you for being a part of our family !
